EXPERIENCE

Jiwe IO — UI/UX and Front End Web Developer Intern

AUG 2021 - 2022

- Created interactive designs for complex web applications by way of interactive wireframes.
- Converted my design into functional websites using HTML, CSS, and Javascript.
- Conducted comprehensive research that satisfied user needs and the company's objectives.

Madavi Agency — UI/UX Designer Intern

JAN 2021 - APRIL 2021

- Designed multiple e-commerce and personal websites for clients.
- Used my graphic design skills to design social media posts and blog posts for the company.

Freelance Work

MAY 2022 - PRESENT

- Understand client's vision for their website and designing a website that brings their vision to life.
- Converting that design to a functioning website using HTML, CSS and JavaScript.
- Answering any and all technical and design questions the client has and explaining the answers to them in a simple and easily to understand manner.
